

**Caring for your health,  
with science and compassion.**

# COMPANY PROFILE

**TESCOT PHARMA** is a well established fastest growing Pharmaceutical Company having its operations throughout India.

We have a wide range of products that are manufactured by **ISO 9001: 2015** and **WHO** standard manufacturing units.

We are known for un-matched International class quality which is approved by all the leading Doctors & Chemists. We are known for standards of Ethics, Integrity and Honesty. We believe in fastening mutually beneficial relationship with all our business partners.

**Mission** of **TESCOT PHARMA** is to reach at every corner of the world and spread happiness as well create a healthier world.

**Achievement** of our goal is not possible without your whole hearted involvement, support and feedback. **TESCOT PHARMA** would like to see a smile on your face by making you partner for a healthier future.

Customer partnership is a shared journey to create a future for all that is better than either could have been developed alone. We believe that we need to be creative & flexible in our dealings with customers to give them exactly what they want. We have a capability to anticipate what a customer needs even before he knows what he needs.

**VALUE GOAL** Our medicines are manufactured at state-of-the-art units that are WHO and GMP Certified, which guarantees Safe & Sure Recovery for everybody who is in need.

**MISSION** We are committed to develop, manufacture & market High Quality Ethical Product. We believe that who are taking medications wherever they are located are entitled to the highest quality Medicines.

**VISION** Our vision is to be as the forefront of our industry in bringing the best quality ethical medicines by following strict quality norms
